**Intermediate results**

As a result of our examination we can inform you that all products manufactured and sold by EURO-COMPOSITES® S.A. are exempt from registration according to the regulation of the European Union (EU) for chemicals (REACH).

We have checked with our suppliers all raw materials that are used by EC and have preregistered all those that require a registration.

**Contact**

Your contact at EURO-COMPOSITES® S.A. for REACH issues is Dr. Frères (Tel. ++352-72 94 63-220, Email: [reach@euro-composites.com](mailto:reach@euro-composites.com)).

We kindly ask for your understanding that because of the huge amount of inquiries we are currently receiving, we cannot answer to individual questionnaires and cannot provide information concerning individual products on the phone.
